Gregory Collier meets with President Barack Obama and U.S. Senator Bill Nelson

(Miami Beach - March 5, 2011) - Gregory Collier, President and Chief Investment Strategist of West Palm Beach, FL - based, Collier Capital Advisors, has attended a reception sponsored by "Florida Senate 2012," a joint fundraising committee authorized by the Democratic Senatorial Campaign Committee, Inc. and Bill Nelson for U.S. Senate, with President Barack Obama as the guest of honor yesterday. The event, held at the Fontainebleau Resort in Miami Beach, FL, was one in a series of fundraising campaigns by supporters to re-elect U.S. Senator Bill Nelson of Florida.

President Obama and Senator Nelson delivered speeches, as did Senator Patty Murray, Chair, Democratic Senatorial Campaign Committee. Before their speeches, Gregory Collier had a chance to speak with President Obama and Senator Nelson.

"I spoke about my support for them, thanked them for their leadership, and how their efforts have helped small business owners like myself create much needed jobs. I also offered my continued support."

Also in attendance was Gregory Collier's 4 year old son, Bradley.

"I brought Bradley because I wanted him to meet local, state, and national leaders, especially Senator Nelson and President Obama. To move our country forward, leadership is more important than ever. By exposing my son to the best and brightest leaders, even at his early age, my intent is to instill in him the fact that he has much hard work to do in order to create his own legacy of service to mankind."

Collier Capital Advisors serves the needs of businesses, institutional investors, and private clients in the areas of wealth management, customized market analysis, idea generation, and risk management.
